Skills

Programming Languages: Python, Java, SQL, HTML, CSS, JavaScript

Technologies & Frameworks: Node.js, Express.js, React.js, REST APIs, Bootstrap, Generative AI, Prompt Engineering

Software Engineering Skills: OOPs Concepts, Data Structures & Algorithms, SDLC, Agile/Scrum, Debugging & Problem Solving, Unit Testing (JUnit/PyTest)

Databases: MongoDB, MySQL

Tools & Platforms: Postman, Git & GitHub, VS Code, CI/CD Basics (GitHub Actions/Jenkins)

QA & Testing: Functional Testing, Bug Reporting, Test Case Execution

Projects

NeoTalks AI Chatbot (Python, Streamlit, DialogPT)

- Built an AI chatbot with real-time context tracking using DialogPT, enabling accurate responses, dual interaction modes, and optimized conversation flow using Python and Streamlit.

Grocery Tracker Web App (JavaScript, Local Storage)

- Developed a responsive grocery management system with CRUD operations, item categorisation, cost tracking, and local storage for persistent data handling.

Automated Notary Document Generator (HTML, CSS, JavaScript)

- Created a web tool that auto-generates pre-filled notary documents using dynamic placeholders and a guided UI, enabling quick, error-free, print-ready document creation

Online Retail Store Database (MySQL)

- Designed and implemented a normalized MySQL database with optimized indexing, relationships, and efficient SQL queries for fast sales reporting and accurate inventory tracking.

Awards/Certificates

AICTE Edu-Skills – 10-Week Internship in Celonis Process Mining 

Leaf care: A system for detecting and cleaning plant dust 

Smart interviews coding 101 

Secured 1st place among 60 teams in the Smart India Hackathon for developing “Vintage Fit,” an AI-driven fitness solution using posture analysis. 

Training & Internships

- Completed a 10-week Celonis Process Mining internship under Edu Skills Tech, focusing on process analysis and optimization.

Education

Bachelor of Technology in CS (IOT) Sphoorthy Engineering College (JNTUH)	69%	2021 – 2025
Intermediate(MPC) Pragathi Junior College, Nalgonda	75%	2019 – 2021
